What is the Academic Support Center?

The Academic Support Center offers services and instruction to help all students achieve their personal, educational, and vocational goals by promoting the learning strategies and attitudes necessary for academic success.

Tutorial Center

Community Programs
Bldg.

591-6215

The Tutorial Center provides tutoring in most subject areas at no charge, and is on a drop-in basis.

Hours are posted each semester.

Visit the Tutorial Services website at:
www.cuesta.org/campus/student/support/tutorial

Writing Center

Room N5006

The Writing Center is available to all students on campus. The center provides writing assistance to students on a drop-in basis. Students meet with an English instructor to have specific questions regarding structure and content answered.

Hours are posted each semester.

Math Lab

Room N5004

591-6200 x4213

The Math Lab provides assistance on a drop-in basis to students needing support from Math 3 through Math 65.

Hours are posted each semester.

Academic Support Lab

Room N5004

591-6215

The Learning Skills Lab is an open entry computer and audio-tutorial lab where students can work independently on improving their skills in grammar, writing, vocabulary, spelling, math, reading, study skills, English as a Second Language (ESL), keyboarding, and word processing. Open enrollment is through the 12th week of the semester.
